URGENT.

From The Secretary to the Hon'ble the Resident in Mysore.
To The Chief Secretary to the Government of His Highness the Maharaja of Mysore, Bangalore.

Dated Bangalore, the 7 June 1944.

Estimate of expenditure in respect of lands requisitioned for Air Force purposes during the present emergency.

Sir,

I am directed to refer to the statements forwarded with your letter No.Pol.2465/W, dated the 29th May 1944 and to observe that the information furnished therein does not appear to be complete. For example, no mention is made of the lands placed at the disposal of the military authorities in connection with the location of an R.D.F.School at Bangalore - (vide your letter No.Pol.1715, dated the 27th February 1943). The lands occupied by the U.S.Air Force near the Hindustan Aircraft Factory (vide your letter No.Pol.367/War, dated the 14th August 1942) also do not appear to find a place in the statements. There may probably be other omissions also.

2. I am therefore to return the statements and to request that they may kindly be revised so as to include all lands placed at the disposal of the Air Force authorities, and two copies each of the revised statements sent to this Residency as soon as possible.

3. I am also to request that two copies of the Mysore Government Order No.W.3439-40, dated the 12th February 1943 referred to in item I(b) of the statement may kindly be sent with your reply.

I have the honour to be,
Sir,
Your most obedient servant,

SECRETARY TO THE RESIDENT.
